

Art

Art 3, Art 4, Portfolio Development

Description...

This advanced course further develops skills in painting and drawing, including realistic and abstract forms of representational subject matter using both traditional and contemporary styles. The student studies the techniques of watercolor and acrylic painting, while incorporating multimedia, three dimensional approaches, and compositional development into their projects. In addition to painting and drawing, this course concentrates on a wide variety of other media.

Requirements...

Portfolio of Assigned Projects

Each advanced art student is **required** to keep and submit a portfolio/sketchbook of their accumulated art projects at the conclusion of the first and last semester for peer critique and professional review.

Objectives...

Student will:

1. seek their own visual thinking
2. be challenged to think for themselves
3. move beyond what they already know
4. perfect their technical and creative skills
5. create important and meaningful works of art

Required Supply...

- 9" x 12" spiral bound sketchbook for journal and art entries/sketches.
(You must have them no later than Monday and they should be with you everyday)
- Pocket folder for handouts
- #2B graphite pencils (non- mechanical)
- Ebony pencil
- Magic Rub Eraser (or other white vinyl eraser)
- Kneaded Eraser
- Sharpie marker (thick and thin)
- Small pencil box or pouch specifically for ART class to hold pencils, erasers, marker, sharpener
- 1 roll paper towels (to share with class)
- 1 box of tissues
- Chlorox wipes

Optional Supply...

- Selection of graphite pencils (6B-4H)
- Ebony pencil
- Prismacolor pencils (Set of 48)
- Set of YOUR OWN paint brushes
(detail brush, nylon brushes 1/8" to 1/2" and your favorite sizes)

Class rules ...

- Be respectful of others in your class.
- All books and materials for other classes are to be stored in your "cubbie" during class time.
- Each student is assigned a shelf on the drying racks and a specific cubbie. Do not use locations other than the ones assigned to you.
- No gum chewing or food in the classroom.
- Try hard, experiment, and have fun.
