

STRINGS INTENT FORM 2021-2022

Beginning Strings for 6th grade will take place 5th period during the “specials” rotations. We will meet every day of the week except for Tuesdays. On Tuesdays, Beginning Strings students will have P.E.

This form is the official sign-up for strings. Read it, complete it, have a parent sign it, and return it to Ms. Ahern by **Wednesday, August 19 (first day of Strings)**. This is a commitment for the **entire** school year.

There will be one class for string “beginners”; even if you have already played your instrument for one year. If you already play, you will be helping the newer players, and will have special opportunities as well!
