

STRINGS INTENT FORM 2022-2023

Beginning Strings for 6th grade will be 5th period during the “specials” rotations. We will meet every day of the school year *except* Tuesdays, which will be your P.E. classes.

This form is the official sign-up for strings. Read it, complete it, have a parent sign it, and return it by **Tuesday, August 16, 2022**. This is a commitment for the **entire** school year.

There will be one class for string “beginners”; even if you have already played your instrument for one year. If you already play, you will be helping the newer players, and will have special opportunities as well!

Strings Instrumentation:

Violin*

Cello*

*school instrument may be available to rent

Viola*

Double Bass

Please check only one:

I have never played a bowed string instrument and will be a basic beginner.

I have played in school or taken private instruction for 1+ years. My instrument is: _____

Student Name _____

Has chosen the _____ (first choice)

or the _____ (second choice) to play in Strings.

Parent name (please print) _____

Parent email (please print) _____

Parent signature _____

- Please see the “2022-2023 String Rental Instrument Form” for more information about renting an instrument from NPA, Arizona Music Pro or Milano’s Music. Please wait to rent an instrument until I decide which student will play which instrument based on the requests above. I will try to honor everyone’s first choice instrument, but we do have to ensure that the orchestra is balanced so we do not end up with a group of 20 violins and 0 cellos.
- Ms. Ahern will provide each student with the book needed for class: Essential Elements 2000 for strings, Book 1. Once you receive your book, please bring it to class every day.
- Parents and students are always welcome to email me at any time with questions:
