## **Course Description:**

An advanced string orchestra class that focuses on building strong ensemble skills and developing students into advanced string players. Chamber Strings will play an array of different difficult music for string ensemble throughout the year. Chamber Strings students will be encouraged to audition for Middle School or High School regionals. Pre-Requisite: Symphonic Strings and/or a placement audition with Ms. Ahern.

## **Late Work:**

Please communicate with me through email if there is a problem **before** the assignment is due. If there is clear communication about a problem (internet issue, illness in the family, etc.), I will be understanding and work with the student on a case-by-case basis and accept late work without penalty.

However, if there is no communication prior to the due date, I will assume the student forgot to complete the assignment on time and 5% of the points will be deducted each day the assignment is late. Late work that is turned in one week past the due date will not be accepted for credit.

## **Grading:**

Grading for this year will be based on the same scale for all quarters. Only the content of the Playing Quizzes will change. These are the approximate values:

Playing Quizzes	35%
Homework	35%
Attention/Attitude/Posture	15%
Written Final Exam (or Final Project)	15%

Homework will consist of Sight Reading Factory assignments, theory worksheets, listening assignments, and practice logs.

Part of your responsibility as a student at NPA is to come to each class every day with all materials you need. In this class, that means your instrument (and accessories), music, and a pencil. There may be a penalty in students' grades for any class member who routinely "forgets" their instrument, music, or pencil.

### **Concert Performances:**

Concert performances are always an integral and important part of all performing Fine Arts classes. During the 2020-2021 school year, it is necessary that we remain flexible as we navigate these unprecedented times. Safety needs to be our number one concern this year. As soon as we find a way to safely put on live performances again, we will. In the meantime, I will explore and research alternative online performance methods for our classes.

### **Flagstaff Symphony Orchestra Side-By-Side Concert:**

FSO is offering an opportunity for area string students to perform alongside symphony members. This concert is scheduled to take place at Ardrey Auditorium on Friday, January 22, 2021 at 7:30pm. Rehearsals would take place Monday-Thursday, January 18-21, 7-9:30pm. Due to the COVID-19 situation, there is a chance this concert may be rescheduled or cancelled. Let's mark our calendars and keep our fingers crossed! The repertoire for the FSO side-by-side concert is: Georges Bizet's Carmen Suite #1 and Brahms Hungarian Dances #5, 6, 7.
