

NPA Guitar Program Job Description

A successful candidate will maintain beginner, intermediate, advanced, and competition ensemble levels. This individual will be comfortable using the 9 standards of growth presented by Guitarcurriculum.com along with national standards for guitar from NAFME. To sustain this program, the successful candidate focuses on a classical technique and an emphasis on ensemble music and artistry. Excellent conducting skills, sound classical knowledge of the instrument and popular knowledge of the instrument is a must. Furthermore, maintaining involvement in the All-national guitar ensemble, Zion Institute for Guitar, Arizona Guitar Orchestra, and association with Phoenix and Tucson guitar societies will promote the performing and real-world expectations of the program. This program hosts between 70 and 100 students beginning at the eighth grade and ending the 12th grade. This position will be supported by on-staff expertise and a dedicated student following. General protocol for any music program such as instrument procurement and maintenance, concertizing, and fundraising bookend this fantastic opportunity.
