### SCHOOL OVERVIEW – NORTHLAND PREPARATORY ACADEMY (CEEB #030111)

Northland Preparatory Academy is a public charter school located in Flagstaff, Arizona, currently serving 635 students in grades 6-12. Founded in 1996 by a group of parents determined to provide a rigorous education for their children, Northland Prep is a thriving learning community with an excellent track record of preparing students for college success. Our school does not have any selective entrance requirements; students gain admission through a lottery which determines a waiting list for available spots. While we hold our students to rigorous standards, we do not seek to winnow cohorts down to the fittest survivors. Rather, we move all our students, regardless of ability, toward their maximum level of success. Our mindset is that the school and our teachers are not merely here to teach; we are here to ensure that students learn. Despite a per pupil funding level lower than the majority of Arizona students, and dramatically lower than the US average, we manage to operate with a student teacher ratio of 13:1. With this level of attention, engagement, and a culture focused on achievement, NPA students are able to develop academically, socially, and emotionally. They become strong learners and leaders, ready not just to be admitted to college, but to excel and make meaningful contributions once there. Northland Prep is fully accredited by AdvancEd.

#### ACADEMIC PROGRAM

NPA students complete a curriculum of twenty core credits as well as four credits from a range of elective offerings. All core courses and most elective courses present students with academic rigor. Advanced Placement course availability and recent results can be seen on the reverse. Registration for AP courses, as well as sitting for exams, is by interest and consultation — there are no policies preventing students from selecting AP courses, capping the number, or dictating who takes the exams. In preparation for the AP offerings commonly taken in Grades 10-12, Honors courses available include *English Composition 8 Honors*, *Writing Through the Humanities Honors*, *Honors World Literature 10*, and *Accelerated Physics 9*.

#### MINIMUM GRADUATION REQUIREMENTS (WITHIN GRADES 9-12)

- 4 credits English
  - 4 credits Mathematics
  - 4 credits Social Studies/History
  - 3 credits Laboratory Sciences
  - 3 credits Foreign Language
  - 2 additional core class credits (often 4th year of Science & Foreign Language)
  - 1 credit Fine Arts
  - 3 credits other elective courses
  - **24 credits total**
- NPA does not have a mandatory service requirement.  
 —While NPA permits concurrent enrollment in college courses, scheduling conflicts often preclude enrolling concurrently at local college campuses.  
 —As of 2018-19, NPA offers dual enrollment options in Spanish and Calculus in partnership with the local community college.

#### AWARDS AND RECOGNITIONS

- Ranked in *US News & World Report's* America's Top 500 High Schools for 2020, #100 among charters nationally, and #15 among all Arizona high schools.
- NPA has consistently received an "A" grade from the AZ Department of Education in its *AZ Learns* profile, which measures not just pass rates on state basic skills tests, but also median year-over-year academic growth rates for students.
- Students in NPA's Arts, Band, Choir, Guitar, and Strings programs routinely win local and statewide recognitions.
